Subject Index

The page ranges of the issues in Volume 82 are as follows: Number 1, pages 1 to 222; Number 2, pages 223 to 408; Number 3, pages 409 to 576; Number 4, pages 577 to 786.

African Americans
socioeconomic and racial disparities in quality of nursing home care, 2:227
Aged. *See* Elderly
Alcohol consumption
effect of heavy drinking on Social Security benefits, 3:507
Alzheimer's disease
public policy challenges of cognition-enhancing drugs, 3:483
Bioterrorism
emotional and behavioral consequences of, 3:413
Blacks. *See* African Americans
California Substance Abuse and Crime Prevention Act of 2000
drug law under, 4:723
Cancer
and income inequality, 2:380–82
Cognition-enhancing drugs
public policy challenges of, 3:483
Common Rule, 1:206–08
Delivery of health care
translating evidence-based depression management services to community-based primary care practices, 4:631
Depression management services
to community-based primary care practices, 4:631
Diffusion of innovation
in service organizations, 4:581
Disability
among injured workers in Washington State, 3:547
elderly health care utilization and cost, 1:157
Disease
long-term trends, 2:356–58

Drinking. *See* Alcohol consumption
Drug abuse
public health approach to law, 4:723
risk environment for injection users, 1:125
Drugs
cognition-enhancing, 3:483
Medicare prescription coverage, 2:283
Elderly
disability rates and implications for health care utilization and cost, 1:157
effect of heavy drinking on Social Security benefits, 3:507
integrated health care of, 2:257
socioeconomic and racial disparities in quality of nursing home care, 2:227
Electronic health records
to coordinate care, 3:457
Embryos
genetic modification of, 1:195
Evidence-based depression management services
to community-based primary care practices, 4:631
Evidence-based medicine
heterogeneity of treatment effects and problem with averages, 4:661
Food and Drug Administration, 1:201, 205, 3:483, 486, 488, 496–97, 4:679–80
Genetic modification
of preimplantation embryos, 1:195
Genomics
evidence-based medicine, heterogeneity of treatment effects, and problem with averages, 4:661
Health
electronic records, 3:457
and income inequality, 1:5, 2:355
social determinants of, 1:101
Health care
changes in elderly disability rates, 1:157
Program of All-Inclusive Care for the Elderly (PACE), 2:257
Health insurance. *See* Insurance
Health service organizations
diffusion of innovations in, 4:581
Heart disease
and income inequality, 2:361–64, 378–79
Hepatitis B virus
and injection drug use, 1:125, 129
Heterogeneity
of treatment effects, 4:661
HIV
and injection drug use, 1:125

Homicide
and income inequality, 2:368–72, 382–84
Human research
genetic modification of preimplantation embryos, 1:195
Income inequality
as determinant of population health, 1:5, 2:355
national and regional trends and age- and cause-specific mortality, 2:355
Infant mortality
and income inequality, 2:368–72
Injection drug users
risk environment for, 1:125
Innovations
diffusion of in service organizations, 4:581
Insurance
and electronic health records, 3:468–69
Integrated quality of care
translating evidence-based depression management services to community-based primary care practices, 4:631
Long-term care
elderly disability rates and health care utilization and costs, 1:157
Lung cancer
and income inequality, 2:380–82
Medicaid
socioeconomic and racial disparities in quality of nursing home care, 2:227
Medicare
prescription drug coverage, 2:283
Medications. *See* Drugs
National Institutes of Health, 1:199, 203–05
National Long-Term Care Survey, 1:190
Nursing home care
socioeconomic and racial disparities in quality of, 2:227
Occupational disease
and workers' compensation, 4:689
Organizational innovativeness
in service organizations, 4:581
Patient care management
translating evidence-based depression management services to community-based primary care practices, 4:631
Pharmaceuticals. *See* Drugs
Population characteristics
evidence-based medicine, heterogeneity of treatment effects, and problem with averages, 4:661
Preimplantation embryos
genetic modification of, 1:195

Prescription drug coverage
political history of Medicare, 2:283
Primary care
evidence-based depression management services to, 4:631
Privacy
and electronic health records, 3:464–65
Program of All-Inclusive Care for the Elderly (PACE)
expansion of, 2:257
Proposition 36
California drug law under, 4:723
Public health policy
bioterrorism response capabilities, 3:413
and drug law, 4:723
inequalities in social distribution of health, 1:101
Randomized controlled trials, 4:667
Research
genetic modification of preimplantation embryos, 1:195
Research design
evidence-based medicine, heterogeneity of treatment effects, and problem with averages, 4:661
Responsiveness to treatment, 4:664, 669–71
Risk without treatment, 4:664, 669
Robert Wood Foundation Depression in Primary Care Program, 4:631
Sexually transmitted infections
and injection drug use, 1:125
Side effects, 4:664, 671
Social determinants
of health, 1:101
Social Security
effect of heavy drinking on benefits, 3:507
Statistics
evidence-based medicine, heterogeneity of treatment effects, and problem with averages, 4:661
Stroke
and income inequality, 2:368–72, 379–80
Suicide
and income inequality, 2:368–72, 382–84
Systematic review
of diffusion of innovations in service organizations, 4:581
U.S. Food and Drug Administration. *See* Food and Drug Administration
Washington State
disability among injured workers in, 3:547
Workers' compensation
efforts to reduce disability in Washington State, 3:547
and occupational disease, 4:689
